(c) if so, the reaction of the Government in this regard?

Answer

MINISTER OF STATE IN THE
MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(SHRI UPENDRA KUSHWAHA)

(a) to (c) Sanskriti School, Delhi was set up to primarily meet the requirement of the children of All India services and Central services, and other transferable Government officers who come on deputation to Government of India on a tenure basis. Some States such as Uttar Pradesh and Meghalaya have taken initiatives to set up schools in their States, similar to Sanskriti School, Delhi to meet the educational needs of the children of Government servants who are posted on transfer. The Government is of the view that as a welfare measure, setting up of Sanskriti type schools would go a long way in removing the hardships faced by Government servants on transfer.
